MAINTENANCE AGREEMENT

Dear Homeowner;

In a continuing effort to better serve our customers, we are offering a yearly maintenance program for your irrigation system. This maintenance Agreement will include a minimum of two (2) scheduled maintenance calls, with additional calls scheduled as required.

Please take a moment to review the enclosed agreement. It explains in detail the services offered. Everything from the "spring start-up" to the "priority list" is designed to protect your investment dollars, both in landscaping and in the system itself. A properly maintained irrigation system will also save money on water usage.

The cost is simple, \$130.00 a year for a residential system up to 4 zones (plus \$20.00 for each additional zone). Additional calls may be added for as little as \$119.00 per hour.

Should you decide to participate in the program this year, and have one less thing to worry about, simply sign the agreement and mail our copy along with your check back to us!

Our goal is "Quality, Responsive Service"!

Sincerely,

Greg Butler
